Clifton-Gaston Allen Lodge Celebrates A Century

Gaston G. Allen

In 1912 there developed quite a sentiment among the members of Lakewood Lodge to encourage the formation of a new Lodge when their membership should reach or pass the three hundred and fifty mark. In 1913 a number who were about to place their demits were reminded of that, with the suggestion that they hold their credentials until some action could be taken. Nothing was done, however, until Brothers J. E. Townsend, Rudolph C. Pagel and Frank M. Bailey took it

upon themselves to wait upon Brother J. M. Sterling, Past Master of Bigelow Lodge, with a request that he lead in the formation of the new body. Under his direction the first preliminary meeting was held at the Lakewood Lodge rooms April 5, 1914, with forty-six Master Masons in attendance. Brother Rudolph C. Pagel was appointed temporary chairman and Brother J. E. Townsend temporary secretary.

At the meeting of April 19, 1914, with Brother Fred E. Harmon, District Lecturer, presiding, this temporary organization elected Brother J. H. Sterling chairman and Brother J. E. Townsend secretary. Brothers J. H. Sterling, John H. Brown and Frank M. Bailey were elected to be recommended to the Grand Master as the first officers of the Lodge.

After the permanent organization was effected, the work of presenting petitions for dispensation and securing the consent of the twenty-one Lodges in this jurisdiction was begun and finished without meeting with a

single refusal. With an enrollment of eighty-three and the consent of Lakewood Lodge, application was made to the Grand Master, and a dispensation was granted June 4, 1914.

Gaston G. Allen was selected as the name of the new Lodge in recognition of the man who in 1853 formed the first Masonic Lodge on the west side of the Cuyahoga River in what was then known as Ohio City. He was an unusually zealous Mason, serving as Master of Bigelow Lodge for nine years.

Gaston G. Allen Lodge was opened in due and ancient form under dispensation June 5, 1914. Lakewood Lodge very generously tendered the use of its Lodge rooms and equipment free of charge during the dispensation period, which gave an advantage, financially, that was very much appreciated.

Gaston G. Allen Lodge sent the Master, Wardens and Secretary to the Grand Lodge Communication in October, 1914, with a list of 94 members, eleven

Appreciated Assets As One-Time Gifts

With stock markets once again surpassing their all-time highs, the opportunity to make gifts in the form of appreciated assets becomes more attractive to many donors.

There are various reasons to use appreciated assets to make one-time gifts to an organization such as The Lakewood Masonic Foundation. Chief among them are the sense of personal satisfaction you will achieve from making a special gift and the likely benefit you will receive from the unique tax breaks for this type of gift.

A gift of an appreciated asset often provides you with a greater tax benefit than a gift of cash. For example, a gift of appreciated stock that you have held for more than 12 months can be deducted at its current value if you itemize deductions, and you won't have to pay capital gains tax on the appreciated portion of your gift. As always, you are encouraged to consult with your legal and tax advisors before making a gift of this type.

There are two ways to use appreciated assets—such as stocks, bonds, mutual fund shares, real estate and insurance policies—to make a special gift. One option is to donate the asset outright, meaning that it would be transferred immediately from you to The Lakewood Masonic Foundation. Another option is to fund a lifetime income gift, which will provide you with income for your lifetime or for some other specified period of time.

If you are interested in donating an appreciated asset, please contact The Lakewood Masonic Foundation, 15300 Detroit Avenue, Lakewood, OH 44107-3888 to discuss proper arrangements. You may also email donate@lakewoodmasonicfoundation.org.

If you prefer to make a more straightforward gift, you may simply write a check using the form in our newsletter (see page 11), by responding to our semi-annual letter appeals or by adding a donation to your annual dues.

You may designate your gift or bequest to be used for our historic preservation, educational or charitable purposes; split your gift among these purposes; or simply ask that your gift be devoted to our greatest need. All gifts, other than a small percentage spent for printing and mailing, are used for our stated purposes.

Your donation is a special way of showing your love for our Lakewood Masonic Family and for our historic home. Our 2016 Centennial is fast approaching, and we still have lots of catch-up maintenance to complete on our facilities.

While gifts and bequests may be directed to our Lakewood Masonic Foundation, our Lakewood Masonic Temple Endowment Fund or our Lakewood Masonic Temple Company Operating Fund, please note that only gifts and bequests to our Lakewood Masonic Foundation are deductible for federal income and estate taxes to the extent permitted by law. Gifts to our Endowment and Operating Funds are not deductible; but, depending on your tax situation, deductibility may not be an issue for you.

Master's Message

Brethren:

We devoted the first portion of our Lodge year to practicing and portraying the Master Mason Degree. Now, as we return from our summer recess, we must turn our attention to the Entered Apprentice and Fellowcraft Degrees in September and October. We will conclude our Lodge year with our Annual Meeting on November 13, at which time we will also elect our officers for the next year. Our annual Installation of Officers will be on Saturday, November 22, at 3:00p. As usual, we will be hosting visitors from our two Canadian sister Lodges, Trinity #521 of Windsor, Ontario, and St. John's #209a of London, Ontario.

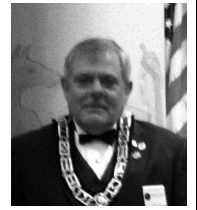

You should shortly be receiving your annual dues bills in the mail. Please, please, send your payments on time to save your Lodge the additional expense of follow-up mailings.

I thank the Lodge for the honor of serving as your Worshipful Master this year. It has been a great experience.

Spiritual Temple

The French Masons say: "We erect temples for virtue and dungeons for vice;" thus referring to the great Masonic doctrine of a spiritual temple. There is no symbolism of the Order more sublime than that in which the speculative Mason is supposed to be engaged in the construction of a spiritual temple, in allusion to that material one which was erected by his operative predecessors at Jerusalem. Indeed, the difference, in this point of view, between Operative and Speculative Masonry, is simply this: that while the former was engaged in the construction, on Mount Moriah, of a material temple of stone and cedar, and gold and precious stones, the latter is occupied, from his first to his last initiation, in the construction, the adornment and the completion of the spiritual temple of his body. The idea of making the temple a symbol of the body is not, it is true, exclusively Masonic. It had occurred to the first teachers of Christianity. Christ himself alluded to it when He said: "Destroy this temple, and in three days I will raise it up;" and St. Paul extends the idea, in one of his Epistles, to the Corinthians, in the following language: "Know ye not that ye are the temple of God, and that the spirit of God dwelleth in you?" And again, in a subsequent passage of the same Epistle, he reiterates the idea in a more positive form: "What, know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?"

Master's Message

Brethren:

It doesn't seem possible that the summer is gone already. Once more it is time to return to our labors. Lakewood is getting off to a fast start. Our first Stated Meeting is on September 8, and we have a meeting of the General Committee at 6:30p with an Entered Apprentice scheduled for that evening. We hope some of our candidates will be ready for exams later in the month and will be advanced to Fellowcraft and Master Mason as appropriate. The corps of officers for the next term will be moving up to do some of the degree work and gain experience for their new offices. In addition we need the members to come out and show their support and to lend a hand when we reach the point when we raise some of our candidates. It is always possible for members of the Lodge to learn and deliver parts in the various degrees. You do not have to be a line officer to do so.

I hope your summer was a good one, and we all look forward to seeing you back in Lodge in September. September and October will likely be taken up with degree work. November 10 will be our annual meeting, elections and annual rededication ceremony. November 24 will be a Stated Meeting and our Installation of Officers for the 2015 year. See you all there.

Shoe

Among the ancient Israelites, the shoe was made use of in several significant ways. *To put off the shoes*, imported reverence, and was done in the presence of God, or on entering the dwelling of a superior. *To unloose one's shoe and give it to another* was the way of confirming a contract. Thus we read in the book of Ruth, that Boaz having proposed to the nearest kinsman of Ruth to exercise his legal right by redeeming the land of Naomi, which was offered for sale, and marrying her daughter-in-law, the kinsman, being unable to do so, resigned his right of purchase to Boaz; and the narrative goes on to say, (Ruth iv. 7, 8) "Now this was the manner in former time in Israel concerning redeeming and concerning changing, for to confirm all things; a man plucked off his shoe, and gave it to his neighbor: and this was a testimony in Israel. Therefore the kinsman said unto Boaz, Buy it for thee. So he drew off his shoe." The reference to the shoe in the first degree is therefore really as a symbol of a covenant to be entered into. In the third degree the symbolism is altogether different.

Matron's Message

Greetings, Sisters and Brothers!

I hope all our Sisters and Brothers have enjoyed the summer and are looking forward to the last quarter of our 93rd year. It is my hope and prayer that you all enjoyed the celebrations of our 93rd year. Ken and I would like to thank you all for your continued support and love this past year as your Worthy Matron and Worthy Patron. It has been fun and exciting serving you all. We've had a great year! I only wish we could honor more because so many of you made this a successful year.

Our charities have personally attended a Chapter meeting and have shared with us more detailed information about their organizations. All were very grateful to receive our donations to their organizations. Our gifts to them reached many hearts within. Thank you all for your support of these charities. Our charities were as follows: Zechariah House, Guidestone (previously Berea Children's Home), Wounded Warrior Project (veterans), Cleveland Masonic Dyslexia Center, OES Capital Campaign and Cleveland Christian Home.

Hold close to your hearts the love and treasured friends, Sisters and Brothers we have recently lost this past year. They are all missed but safely in the kingdom that awaits us cradled in the arms of our Lord, where the angels are watching over all of us.

Congratulations to our Brother Don Van Horn, PP, who was recently appointed Governor of the Second DeMolay District of Ohio. As he takes the reins, our own Lakewood DeMolay is being re-launched. You can help by recommending suitable young men for membership (see page 10.)

In closing, remember, "Prayer does not change the purpose of God, but prayer does change the action of God."

High Priest's Message

Companions:

As a Mason of three years I find myself sitting in the East of Cunningham Chapter. Not because I had to or was forced, but because this Chapter needs to flourish. The lessons we learn from this body of Masonry are far beyond our thoughts of who we are or what we know of everyday life. It has been strong because of the Companions before myself or any other young member. These men have kept a tradition, pardon, a legend, alive that is far beyond our reach of human inquiry. We teach one another of things greater than anything we could accomplish with mortal hands, and I (we) are so grateful for the lessons they have taught us. We teach one another to learn to live with the heart. For the mind can only go so far. It is the heart that teaches us to live not for ourselves but for others, and in doing so we become better men. Thus it brings me back to the reason of an attempt to bring this Chapter to its full potential. To lead the blind by a way they know not, and to make crooked things straight. Like our predecessors did for us, we shall try to hand that down to new members.

I have never been good at gatherings or fundraisers among Freemasons due to my busy schedule. So I will pursue my deepest love for the fraternity, Ritual. The lessons that can be taught from these beautiful parables can indeed fulfill the heart with lessons of the divine, teaching one to act and be of such.

I would like to acknowledge Jorge B. Dorantes for his amazing leadership and love to our Chapter, and I will do my best to fill his shoes. Even when things were rough he was always a light in the darkness, and we love him for that!! Thank you so much, Excellent. As we embark on this New Year I will always remember that it takes ALL of us to be a Chapter, and I cannot exceed to success without your honorable assistance. Let's take ownership and show our elders we have what it takes!

"The true Mason is not creed-bound. He realizes with the divine illumination of his lodge that as Mason his religion must be universal: Christ, Buddha or Mohammed, the name means little, for he recognizes only the light and not the bearer. He worships at every shrine, bows before every altar, whether in temple, mosque or cathedral, realizing with his truer understanding the oneness of all spiritual truth. All true Masons know that they only are heathen who, having great ideals, do not live up to them. They know that all religions are but one story told in divers ways for peoples whose ideals differ but whose great purpose is in harmony with Masonic ideals. North, east, south and west stretch the diversities of human thought, and while the ideals of man apparently differ, when all is said and the crystallization of form with its false concepts is swept away, one basic truth remains: all existing things are Temple Builders, laboring for a single end. No true Mason can be narrow, for his Lodge is the divine expression of all broadness. There is no place for little minds in a great work."

We are at the beginning of a new year in Cryptic Masonry. I would like to thank those members who have answered the call to serve as officers for this year. I am honored to serve as your Illustrious Master for another year as we rebuild our officer line. But as you all know, we have many opportunities for members other than officers to assist with the ritualistic and administrative functions of our Council. Will you help?

We begin our new year on Wednesday, September 3. Be sure to mark your calendars—paper or electronic—for first Wednesdays so you won't forget our meetings. See you in Council!

Spiritual Temple

(continued from page 3)

But the mode of treating this symbolism by a reference to the particular Temple of Solomon, and to the operative art engaged in its construction, is an application of the idea peculiar to Freemasonry. Hitchcock, in his *Essay on Swedenborg*, thinks that the same idea was also shared by the Hermetic philosophers. He says: "With perhaps the majority of readers, the Temple of Solomon, and also the tabernacle, were mere buildings—very magnificent, indeed, but still mere buildings—for the worship of God. But some are struck with many portions of the account of their erection admitting a moral interpretation; and while the buildings are allowed to stand (or to have stood, once) visible objects, these interpreters are delighted to meet with indications that Moses and Solomon, in building the Temples, were wise in the knowledge of God and of man; from which point it is not difficult to pass on to the moral meaning altogether, and affirm that the building, which was erected without 'the noise of a hammer, or axe, or any tool of iron,' (1 Kings vi. 7) was altogether a moral building—a building of God, not made with hands. In short, many see in the story of Solomon's Temple a symbolical representation of Man as the temple of God, with its Holy of Holies deep seated in the centre of the human heart."

Commander's Message

Greetings, Sir Knights of Holy Grail Commandery:

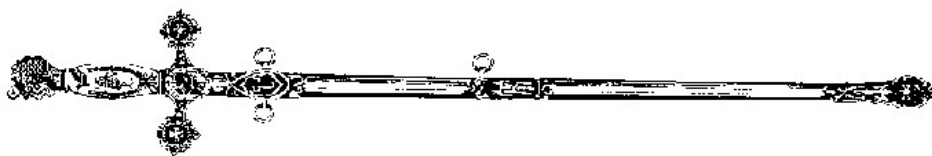

We return from our summer recess with something brand new. Our Grand Commandery is poised to adopt a new, optional ten-man full form opening that Commanderies may use instead of the traditional full form opening that requires many more participants. If elected, our next Grand Commander also plans to shorten the Inspection day by moving the full form opening to a prior Stated Conclave to be witnessed by the Deputy Division Commander. Inspections will then open one hour later, at 3:00p, at which time the Order of the Temple will be conferred, to be followed by dinner. The tea table refreshment period will be eliminated, and most introductions will be done at dinner rather than during the meeting. We will devote some meeting time this fall to learning the new full form opening.

As always, please plan on attending our meetings. Your presence would be greatly appreciated. We would be very glad for your presence and moral support; would be glad to have you participate, even in a non-speaking role; and our newest members would be pleased to meet you.

Golden Fleece

In the lecture of the first degree, it is said of the Mason's apron, that it is "more ancient than the Golden Fleece or Roman Eagle, more honorable than the Star and Garter." The reference is here evidently not to the Argonautic expedition in search of the golden fleece, nor to the deluge, of which that event is supposed to have been a figure, as Dr. Oliver incorrectly supposes, but to certain decorations or honor with which the apron is compared. The eagle was to the Romans the ensign of imperial power; the Order of the Golden Fleece was of high repute as an Order of Knighthood. It was established in Flanders, in 1429, by the Duke of Burgundy, who selected the fleece for its badge because wool was the staple production of the country. It has ever been considered, says Clark, one of the most illustrious Orders in Europe. The Order of the Garter was, and is still considered, the highest decoration that can be bestowed upon a subject by a sovereign of Great Britain. Thus, the apron is proudly compared with the noblest decorations of ancient Rome and of modern Europe. But the Masons may have been also influenced in their selection, of a reference to the Golden Fleece, by the fact that in the Middle Ages it was one of the most important symbols of the Hermetic philosophers.

Lakewood Chapter Order of DeMolay

Stated Meetings First & Third Thursdays 7:30 p.m. • www.lakewooddemolay.com

Lakewood DeMolay meets on the first and third Thursday of each month, and all Masons are encouraged to visit at any meeting. Membership is open to young men aged 12 to 21. No Masonic affiliation is required for membership other than to be sponsored by a Mason. If you know of a young man who would be a good DeMolay and who would enjoy the great experience that is DeMolay, please contact Chapter Advisor Dad Craig Haskett at 440.892.1738 or bvhomeloans@yahoo.com. Many of our older members left for college or the military a year ago, so our need for new and younger members is particularly great. *We especially invite Masons to recommend young men for membership* and to attend our meetings. Our young men are always encouraged by your presence.

Clifton-Gaston Allen Lodge Celebrates a Century

(continued from page 1)

having been raised during dispensation, which constituted the charter membership and whose names are duly engrossed on the Lodge's charter which was granted October 22, 1914.

August 7, 1914, was a very special night for Gaston G. Allen Lodge. On this evening the Lodge was presented with a portrait of Gaston G. Allen by Bigelow Lodge, the presentation being made by Past Master Robert Simpson. Brother Henry Pleasance, on behalf of Lakewood Lodge, presented a set of officers' jewels. On behalf of Mount Olive Chapter, Past Grand Master E. F. Griffiths presented a silver trowel. Halcyon Lodge, being represented by Past Master Clem V. Jacobs and others, presented a set of working tools. Meridian Lodge had already furnished deacons' and stewards' rods, being presented by Brother F. E. Rudenauer. And not to be outdone by the other Lodges, Lincoln Chapter of the Eastern Star presented a set of officers' aprons, through their Worthy Patron, Brother J. J. Hinslea. The gifts were all very gratefully received, representing as they did that strong bond of Brotherly Love and Friendship which should always prevail.

The most important occasion in the Lodge's early history was the Ceremony of Constitution and Consecration conducted by the Most Worshipful Grand Master, George L. Marshall, on November 28, 1914, at which time quite an elaborate entertainment and banquet were provided.

Gaston G. Allen Lodge prospered both numerically and financially for many decades, the members taking an active interest and assisting the officers in conducting the affairs of the Lodge. By the 1990s, however, both membership and involvement had declined; and on October 19, 1996, Gaston G. Allen Lodge #629 consolidated with Clifton Lodge #664 into Clifton-Gaston Allen Lodge #664.
